ZÜRCHER AIDS-HILFE
Fachstelle für sexuelle Gesundheit

What do we offer?

- Anonymous HIV and syphilis quick tests (results in 30 min.)
- Tests of further sexually transmitted infections: on demand
- Counseling in German, English, French and Spanish regarding HIV/Aids and other sexually transmitted infections
- Costs: HIV test or syphilis test CHF 50.–, HIV and syphilis test in combination CHF 60.–, further tests on demand, cash only

What if a test is positive?

- In case of an HIV infection we assist you with further tests, and refer you to competent advisors and doctors specialized in HIV for your personal needs.
- We connect you to specialists for the treatment of sexually transmitted infections
- Medical confidentiality and discretion are guaranteed.
